Logo Usage Guidelines

After successful product testing, you must complete and submit a Windows Logo License Agreement (LLA) at the Windows Quality Online Services site (Winqual at <https://winqual.microsoft.com/>) to be eligible to use the logos. (Refer to page 25 for information on getting started with testing.) To view the LLA, please go to the Winqual home page and click Legal Agreements. In the event of any inconsistencies between information in this marketing guide and the terms of the applicable LLA, the terms of the LLA will prevail. Note that you may use the logos only in connection with products that have passed the program testing and that products may display only the logo for which they are specifically licensed.

Side tips and tricks:

Make sure you include Supports Windows 7 on your system requirements

Using the Compatible with Windows 7 logo

Microsoft recommends that the "Compatible with Windows 7" logo be displayed in the following places that customers will encounter in the product evaluation and presales process. To help customers understand the features and benefits of "Compatible with Windows 7" products,
